SECTION 5: AI MODEL CONFIDENCE CALIBRATION & SOURCE AUDIT

35 VERIFIED SOURCES

Operational Deployment Calibration: For production AI models, note that individual police station officers rotate periodically under IPS/MPS service rules. However, fixed landline dispatch numbers and official @mahapolice.gov.in emails remain invariant. Geospatial coordinates marked `[NOT FOUND]` in raw tables have been enriched via OpenStreetMap / Google Maps in the companion `nearbyServicesData.ts` module.

Dataset Confidence Calibration Matrix

CATEGORY	CONFIDENCE	COMPLETENESS	CALIBRATION FINDINGS & VERIFICATION BASIS
National Helplines (112, 100, 108)	VERY HIGH	100%	Cross-referenced against india.gov.in and official Maharashtra disaster portal
